

The Finance Team:

Oversees the transition to centralised finances, with support and guidance from the FfM team. This team will be trained in using specific systems and software, to understand and adhere to the legal compliance involved and will also be aware of individual church and congregations' needs.

Current church treasurers will be invited to join the Finance Team. The Finance Team Leader should have finance oversight experience and knowledge. Team members might have book-keeping / treasurer experience. Together, they will make proposals and create processes that make the financial and practical running of our worshipping communities and new parish more streamlined.

Duration: 18 months: approx. 1 meeting per month
