

The Support Services Development Team:

This team will initially develop a proposal for a single support services function for the larger Parish. Alongside the day to day administrative support, there are statutory services and important compliance activities and checks that need to be enacted. This team will cover a large array of significant activity. The Support Services Change Leader will have change and administrative process experience. Team members will have administrative and process understanding and skills.

Duration: 18 Months: approx. 1 meeting per fortnight
