

## **Change Team Leaders**

Team leaders will need to invest time and capacity in nurturing and developing their team and their activity portfolio. You can nominate yourself or suggest to someone that they apply to become a Change Team Leader. They might be a member of clergy, or laity.

Change Team Leaders report to the Navigation Team. There are specialist FfM diocesan staff who support Change Teams. These include the Right Buildings Team, the FfM Cultivate coaches, Support Services and Finance teams.
